## THE STORY OF A SMALL ISLAND

### Dining:

- 3 restaurants and 2 bars
- 24-hour room service
- Destination dining and special events

**Ba'theli Restaurant:** perched on stilts over the lagoon, the signature restaurant is shaped like a traditional Maldivian sailing boat. It's the only Maldivian-cuisine restaurant in the Maldives, offering traditional island-inspired dishes intelligently reinterpreted for the 21<sup>st</sup> century. Open for dinner daily

**The Shoreline Grill:** this beachfront grill is where guests enjoy fine cuts of meat, fresh local fish and seafood, simply cooked and beautifully presented. There's also a private chef's table and wine cellar here. Easy, simple, no fuss. Open for dinner daily.

**Ocean Restaurant:** diners sit outside on the deck overlooking the ocean where the style remains casually comfortable with international dishes perfectly presented. Here, the key words are fresh, flavourful and friendly. Open for breakfast, lunch and dinner.

**Compass Pool Bar:** a poolside menu of the freshest of fresh juices, infused waters, cocktails and light meals. Open from morning to late night.

**Ba'theli Lounge:** our over-water bar and lounge is shaped like a traditional Maldivian boat ready to sail into the sunset, where guests enjoy cocktails that are fresh, creative and on point. The wine list has been designed to pique the interest of wine lovers with a choice of much loved classics alongside a selection of wines from lesser-known boutique wine makers. Open every evening.
